

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Update of the Successful Celebration on Central Event

MEETING DATE: November 7, 2001

PREPARED BY: Janet L. Hamilton, Management Analyst

RECOMMENDATION: None.

BACKGROUND: The second annual Celebration on Central, a collaboration between the Community Partnership for Families of San Joaquin and the City of Lodi, was held Sunday, September 30th. The event, a health and safety fair targeted toward families on Lodi's east side, attracted an estimated 5000 – 6000 people. Food, much of it donated by the Greater Stockton Area Food Bank, was prepared by volunteers from the First Baptist Church, the Lodi Mexican American Lions Club, the Buddhist Church of Lodi, and the Islamic Center. Almost 70 agencies and organizations participated in the event offering services such as health screenings, medicine, immunizations, and children's activities as well as information.

Such an event could not take place without the support of a dedicated group of volunteers and staff. We would like to recognize and thank this group for their efforts.

FUNDING: None.

Respectfully submitted,

Janet L. Hamilton
Management Analyst
